Investment Recommendation: TCW Energy Fund XIV – up to Brazilian Reais (“R\$”) 250,000,000 (approximately \$160,000,000) of common equity in Sondas – Fundo de Investimento em Participações (“FIP Sondas”).

Sondas – Fundo de Investimento em Participações

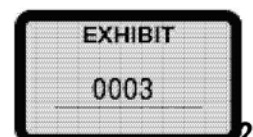

Messrs. Corrigan and Hayden presented the investment opportunity, which is an investment of up to R\$250,000,000 of common equity in FIP Sondas, a newly created investment vehicle established in Brazil that, along with Petróleo Brasileiro S.A. (“Petrobrás”), will own Sete Brasil Participações S.A. (“Sete”).

The Investment Committee approved the investment.
